

Link Tutor and Professional Development Tutor (PDT) Quality Assurance School Visits Guidance

Aims of these documents

These documents are intended as guidance to support partners in the quality of teacher training provision for the PGCE course at Birmingham City University and their Partnership schools. It is intended that these documents will support colleagues in a clear understanding of the activities that will be required to determine that quality provision has and is being met during trainee placement in schools. Roles and responsibilities are identified at the beginning as a useful guide for schools, the expectations of visits based upon the implementation of these requirements is then defined in the concluding section.
