

ACCA Full-Time Course

The professional qualification

The ACCA is generally recognised as the leading and fastest growing global professional accounting body and membership significantly enhances worldwide employment opportunities.

This course prepares you to study for the ACCA professional examinations enabling you to gain membership.

(This course is predominately undertaken by international students).

Benefits of studying with Birmingham City Business School (BCBS)

- Birmingham City Business School is a Platinum approved learning partner of the Association of Chartered Certified Accountants (ACCA) and is also a highly rated UK University for accountancy programmes with excellent pass rates.
- We offer a range of facilities including the dedicated BCBS Postgraduate Suite, a specific area for you to work alongside your peers, network with like-minded individuals and build invaluable contacts.
- The full-time ACCA course offers competitive fees which are payable in instalments and you also have the option to choose from two start dates of either January or September.
- You will be taught by dedicated industry experienced staff in small class sizes, meaning you will receive high quality tuition and support. Whilst studying with us you will also have the opportunity to enrol onto free sessions such as improving your English Language, study skills and course specific revision.

Birmingham City University is a leading practice-based university based in Birmingham, the second largest city in the UK and located in the centre of the country. Transport links from Birmingham to the rest of the UK and overseas (via Birmingham New Street station and Birmingham International Airport) are excellent.

Birmingham is a major centre for international students and the cost of living is much lower than some other parts of the UK, particularly London. We are highly experienced in dealing with international students and supporting you to reach your goals. Birmingham City University is a friendly, welcoming and supportive place to study and achieve ACCA examination success.
