# WELCOME

I'd like to give you a warm welcome to Birmingham City University. I am immensely proud to be the Chancellor of this vibrant and diverse institution.

The best way to find out what's happening at this University and across the city is to come and see us for yourself, which is why our open days are such great events. You can see our facilities for yourself, get the inside track from current students or ask our staff about any queries you may have.

Have a fantastic day and I hope we'll be welcoming you as a student soon.

A stylized, handwritten signature in white ink that reads 'Lenny'.

Sir Lenny Henry, Chancellor, Birmingham City University
