

# APPLICANT TASTER DAY SCHEDULE

## SATURDAY VISIT DAY

### 9.30am

#### Arrival

Arrive between 9.30am and 10.00am on the ground floor of our Millennium Point building, at the city centre campus.

### 10.00am

#### Welcome Talk – Start your journey to becoming a Built Environment professional

Your student experience starts here. You'll take part in a fun, practical design and build project. You'll then start thinking about how you can look at your project as a real Built Environment professional - identifying and exploring its strengths, as well as potential issues that may occur. This is a great way to start adopting a practical mind-set and you'll discover how interactive your course will be.

### 10.20am

#### What's it like to study Civil Engineering?

Want to start thinking like a real engineer? Challenge and apply your skills in this interactive activity with the help of staff and students from the course. You'll get a taste of fundamental Civil Engineering concepts that you'll explore in more depth during your studies with us. You'll also get to check out our state-of-the-art lab facilities and preview work being done by current Civil Engineering students!

### 12.00pm

#### Lunch and Networking

Take advantage of this hour, not only to eat, but to chat to your fellow applicants – it's a great way to get to know them before you start in September. It's also a great opportunity to chat to our academics and student ambassadors and ask them any questions you may have.

**1.00pm**

**Take a walking tour of your living lab: Birmingham**

Birmingham is your playground. The city's landscape is in a state of flux and bursting with opportunities for you to explore. Walk with our students to see first-hand some of the city's construction and regeneration projects that you could be involved with during your studies.

**2.00pm**

**It's all about you, so get your questions ready!**

Once you've taken your tour, we'll summarise the day with some final bits of information that we think you'll find useful. We'll also be happy to answer any questions you may have before you go, so make sure you prepare some for us!

**2.15pm**

**Want to take the accommodation tour?**

A quick student accommodation tour is available to those who wish to get a feel for what living away from home is like and would like to check out our halls.
