WEDNESDAY VISIT DAY

1.00pm

Arrival

Arrive between 1.00pm and 1:30pm on the ground floor of our Millennium Point building, at the city centre campus.

1.30pm

Welcome Talk – Start your journey to becoming a digital tech professional

Your student experience starts here. You'll learn more about our Digital Technology courses and how they'll help gain the skills to embark on a successful career in our digital age. Discover how you can get involved in a team-based project in your first year, which will give you the chance to create an innovative tech product that you can showcase to industry experts!

Learn more about how we'll link you to industry!

We can also give you more information on how to gain experience in the industry with a placement year, giving you the opportunity to work with leading companies in your chosen field. Plus, learn more about how industry mentors can support you with your final year project. You'll discover that there are many unmissable opportunities available to you when studying with us!

1.50pm

Get hands-on with digital media computing

You'll have the opportunity to participate in a fascinating hands-on activity focused on digital media technology. This is your chance to gain real insight, have fun and get hands on with some core concepts.

Tutorial: 'Realistic' movements in animated environments: 3D Software

Whether you are flossing in Fortnite or being 'Owned' in Overwatch, the believability of characters' movement is hugely important to the playability of the game. You'll discover the physics of

movement in 3D environments, rig and move your character, as well as apply techniques to bring its movement to life.

3.30pm

See where you'll be studying! Take a tour of your labs, lecture rooms and more...

You'll take a tour of the facilities based at the city centre campus. Explore our cutting-edge multimedia laboratories, green screen studio, music/sound studios and film/TV sets. You'll also get access to our prestigious Royal Birmingham Conservatoire: a £57 million teaching and performance facility. Check out the computer and networking labs, discover where you'll have your lectures and take a peek at other campus facilities that will be of use to you throughout your time here.

4.30pm

It's all about you, so get your questions ready!

Once you've taken your tour, we'll summarise the day with some final bits of information that we think you'll find useful. We'll also be happy to answer any questions you may have before you go, so make sure you prepare some for us!

4.45pm

Want to take the accommodation tour?

A quick student accommodation tour is available to those who wish to get a feel for what living away from home is like and would like to check out our halls.
