

## **BA (Hons) Fine Art L4 : A List of things you might like to buy**

Below we have compiled a list of basic resources you should aim to buy over the coming year. Having a good range of equipment is essential to your development on this course.

This list is by no means definitive and the type of equipment you buy will greatly depend on the type of work you make.

Items in RED are fairly essential.

### **Basics**

- **Good quality Sketch Book** (ideally A3 or A4/Ringbound)
- **Steel Ruler** (30cm)
- **Scissors**
- **Scalpel** (with a few new blades)
- Drawing pins
- Range of good quality brushes
- Variety of general art materials/paints (Acrylics, oils etc.)
- **Padlock** (For your locker)

### **Electronics**

- **Large capacity USB memory stick** (64gb / 128gb)
- Good quality camera/HD Video Camera (Good to have your own but can be booked out through A/V stores)
- Laptop

### **Basic tools**

- Storage or Tool box (preferably one that fits inside your locker)
- Hammer (Pin / Claw)
- A range of screws and nails
- Set of screwdrivers
- **Tape measure (5m)**
- Small spirit Level (important when hanging work)
- Glue gun
- Staple gun
- Apron
- Thread

### **Sticky Stuff**

- White tack
- 3M Command tape (Great for hanging work)
- Masking tape
